## **SOBOBA Trail Ride Sunday, February 23<sup>rd</sup> 2020**

For over forty years, California's premier off-road ride has provided motorcyclists a riding experience on fun, challenging terrain that's not available to the public. Riders will navigate two single-track trail loops of approximately twenty-five miles each in the wilderness area of the Soboba Indian Reservation. This special event, on private land, is made possible through the generosity and approval of the Soboba Tribe. Online entry at [www.sobobarides.biz](http://www.sobobarides.biz) or via the entry form with this flyer.
